

# YOU MUST KNOW THIS MAN MUHAMMAD (Peace be upon him)

seeds of their labours grow and bear fruit, in their own lifetime. Except of course, Muhammad, peace and blessings of God Almighty be upon him, who not only preached the most wonderful ideas but also successfully translated each one of them into practice in his own lifetime. At the time of his death his teachings were not mere precepts and ideas straining for fulfilment, but had become the very core of the life of tens of thousands of perfectly trained individuals, each one of whom was a marvellous personification of everything that Muhammad peace and blessings of God Almighty be upon him taught and stood for. At what other time or place and in relation to what other political, social, religious system, philosophy or ideology-did the world ever witness such a perfectly amazing phenomenon?

Indeed no other system or ideology secular or religious, social or political, ancient or modern - could ever claim the distinction of having been put into practice in its fullness and entirety EVEN ONCE in this world, either before or after the death of its founder. Except of course ISLĀM, the ideology preached by Muhammad, peace and blessings of God Almighty be upon him which was established as a complete way of life by the teacher himself, before he departed from this world. History bears testimony to this fact and the greatest sceptics have no option but to concede this point.

In spite of these amazing achievements and in spite of the countless absolutely convincing and authentic miracles performed by him and the phenomenal success which crowned his efforts, he did not for a moment claim to be

God or God's incarnation or Son - but only a human being who was chosen and ordained by God to be a teacher of truth to mankind and a complete model and pattern for their actions.

He was nothing more or less than a human being. But he was a man with a noble and exalted mission-and his unique mission was to unite humanity on the worship of ONE AND ONLY GOD and to teach them the way to honest and upright living in accordance with the laws and commands of God. He always described himself as A MESSENGER AND SERVANT OF GOD, and so indeed every single action and movement of his proclaimed him to be.

A world which has not hesitated to raise to Divinity individuals whose very lives and missions have been lost in legend and who historically speaking did not accomplish half as much-or even one tenth-as was accomplished by Muhammad, peace and blessings of God Almighty be upon him should stop to take serious note of this remarkable man's claim to be God's messenger to mankind.

Today after the lapse of some 1400 years the life and teachings of Prophet Muhammad, peace and blessings of God Almighty be upon him, have survived without the slightest loss, alteration or interpolation. Today they offer the same undying hope for treating mankind's many ills which they did when Prophet Muhammad, peace and blessings of God Almighty be upon him, was alive. This is our honest claim and this is the inescapable conclusion forced upon us by a critical and unbiased study of history.

You may be an atheist or an agnostic; or you may belong to anyone of the religious denominations that exist in the world today. You may be a Communist or a believer in democracy and freedom. No matter what you are, and no matter what your religious and political beliefs, personal and social habits happen to be - YOU MUST STILL KNOW THIS MAN!

He was by far the most remarkable man that ever set foot on this earth. He preached a religion, founded a state, built a nation, laid down a moral code, initiated numberless social and political reforms, established a dynamic and powerful society to practice and represent his teachings, and completely revolutionised the worlds of human thought and action for all times to come.

**HIS NAME IS MUHAMMAD**, peace and blessings of Almighty God be upon him and he accomplished all these wonders in the unbelievably short span of twenty-three years.

Muhammad, peace and blessings of God Almighty be upon him was born in Arabia on the 20th of August, in the year 570 of the Christian era, and when he died after 63 years, the whole of the Arabian Peninsula had changed from paganism and idol-worship to the worship of One God; from tribal quarrels and wars to national solidarity and cohesion; from drunkenness and debauchery to sobriety and piety; from lawlessness and anarchy to disciplined living; from utter moral bankruptcy to the highest standards of moral excellence. Human history has never known

such a complete transformation of a people or a place before or since!

The Encyclopaedia Britannica calls him "the most successful of all religious personalities of the world". Bernard Shaw said about him that if Muhammad were alive today he would succeed in solving all those problems which threaten to destroy human civilisation in our times. Thomas Carlyle was simply amazed as to how one man, single-handedly, could weld warring tribes and wandering Bedouins into a most powerful and civilised nation in less than two decades.

Napoleon and Gandhi never tired of dreaming of a society along the lines established by this man in Arabia fourteen centuries ago.

Indeed no other human being ever accomplished so much, in such diverse fields of human thought and behaviour, in so limited a space of time, as did Muhammad, peace and blessings of God Almighty be upon him.

He was a religious teacher, a social reformer, a moral guide, a political thinker, a military genius, an administrative colossus, a faithful friend, a wonderful companion, a devoted husband, a loving father - all in one. No other man in history ever excelled or equalled him in any of these difficult departments of life. The world has had its share of great personalities. But these were one sided figures who distinguished themselves in but one or two fields such as religious thought or military leadership. None of the other great leaders of the world ever combined in himself so many different qualities to such an amazing level of perfection as did Muhammad, peace and

blessings of God Almighty be upon him.

The lives and teachings of other great personalities of the world are shrouded in the mist of time. There is so much speculation about the time and the place of their birth, the mode and style of their life, the nature and detail of their teachings and the degree and measure of their success or failure that it is impossible for humanity today to reconstruct accurately and precisely the lives and teachings of those men

Not so this man Muhammad, peace and blessings of God Almighty be upon him. Not only was he born in the fullest blaze of recorded history, but every detail of his private and public life, of his actions and utterances, has been accurately documented and faithfully preserved to our day. The authenticity of the information so preserved is vouched for not only by faithful followers but also by unbiased critics and open-minded scholars.

At the level of ideas there is no system of thought and belief-secular or religious, social or political-which could surpass or equal ISLĀM- the system which Muhammad peace and blessings of God Almighty be upon him propounded. In a fast changing world, while other systems have undergone profound transformations, Islām alone has remained above all change and mutation, and retained its original form for the past 1400 years. What is more, the positive changes that are taking place in the world of human thought and behaviour, truly and consistently reflect the healthy influence of Islam in these areas. Further, it is not given to the best of thinkers to put their ideas completely into practice, and to see the
